Tim & Judy's Wedding August 2019 at Glengarriff Lodge, West Cork, Ireland

Myself and my husband, Tim, had our wedding at Glengarriff Lodge, a stunning old hunting lodge nestled in the woods. Right from the start, we knew we wanted to get married there but we also knew it wasn't going to be easy trying to pull off a wedding there on our own. Thankfully just a few weeks before the wedding, just when things were at their most stressful, the wonderful Sharon came into our lives! She instantly put all our worries at ease and her enthusiasm for our day helped us stop worrying and start getting excited! Right from the beginning, Sharon was incredible, always positive, always at hand to help and always thinking three steps ahead. Having her co-ordinate our day was the best decision we could have made. We'll always hold a special place for her in our hearts.

Ann-Maire & Shane's Wedding September 2020 at Gougane Barra, West Cork, Ireland

If you need help with your wedding planning and on the day coordination, then hiring Sharon from Celtic Knot Weddings and Events will be the best decision you have ever made. Myself and my husband Shane were due to be married in Amalfi Coast in Italy last June 2020 and unfortunately due to the coronavirus pandemic the wedding did not go ahead, we were beyond devastated, our dream wedding now a dream of the past. We decided that we just wanted to get married, and an intimate wedding was what we really wanted so we made the decision to marry in Ireland.

We did not know where to start and how to get suppliers on such short notice, as well as being in the middle of a pandemic, so we hired Sharon from Celtic Knot Weddings & Events and immediately she put our plans into action.

Feeling beyond relieved to have Sharon on our side was an understatement. She was amazing from start to finish, from pulling the whole wedding together, to being there by my side every minute I needed her, she even planned a surprise tea party with my 2 close best friends to mark the day I should have been married as well as marking the hen party I never had. We got married in Gougane Barra Church it was incredibly romantic and our reception was in the very beautiful Gougane Barra Hotel. The whole experience was amazing, Sharon is extremely organised, fantastic at her job and really listened to what we wanted. I would highly recommend Celtic Knot Weddings and Events.

Consultation Time

If you already have a wedding date set, the first thing we will do is make sure we are available! Once that's confirmed we'll arrange a date to meet you or arrange a Skype, Zoom or Watts App video call. Consultation's are charged at €50 per hour, but if you book one of our planning packages we will discount that charge off your overall package.

We know you are busy and may not be able to free up time to meet face to face so a video call tends to work well, and you can relax in the comfort of your own home. It is a 2-hour minimum booking for face-to-face consultations or 60 minutes minimum online.

We will start the consultation by introducing ourselves and getting to know you both by replaying your LOVE STORY. Then we will discuss your wedding and go through the FOUR KEY THINGS we need to know at this early stage:

Budget, Style, Venue Ideas and Guest count

Let's start the planning process email Sharon at celticknotweddingsandevents@yahoo.com
